

## Scrum #4 Meeting Notes

1. What have you accomplished since the last meeting?
2. Are there any obstacles in the way of meeting your goal?
3. What will you accomplish before the next meeting?

|        | Question 1   | Question 2 | Question 3  |
|--------|--|------------|---|
| Alex   | N/A  | N/A        | N/A   |
| Connor | Nothing  | No         | Grocery List Merging + Grocery List Quantities                            |
| Emily  | Nothing  | No         | Grocery List Merging + Grocery List Quantities                            |
| Julia  | Working on the past searches   | No         | Finish the last of the UI changes and help with documentation/refactoring |
| Will   | Worked on figuring out issues we had with refactoring the Cucumber tests | No         | Finish the last of the UI changes and help with documentation/refactoring |
