

## Scrum #2 Meeting Notes

1. What have you accomplished since the last meeting?
2. Are there any obstacles in the way of meeting your goal?
3. What will you accomplish before the next meeting?

	Question 1	Question 2	Question 3
Alex	Alex and I attempted to get Travis to work to no avail. Sprint 2 Planning Meeting Sprint 1 Review and Retrospective.	Travis is hard and we had difficulties.	Get Travis to work
Connor	Sprint 1 Review and Retrospective, Sprint 2 Planning Meeting	No	Fix JUnit Config File setup with a before/after function to ensure Config file is NOT changed if a test case fails or passes. Refactor backend servlets/functions.
Emily	Sprint 1 Retrospective & Review, Sprint 2 Planning Meeting	AthenaHacks is this weekend, April 5-7th	Nothing - AthenaHacks ends at 5pm on Sunday, and our next scrum is scheduled for 9pm Sunday (emailed Prof. Halfond)
Julia	Alex and I attempted to get Travis to work to no avail. Sprint 2 Planning Meeting Sprint 1 Review and Retrospective	Travis is hard and we had difficulties.	Get Travis to work Fix all small UI changes such as the rating stars, the list management page div alignment
Will	Sprint 2 Planning Meeting Sprint 1 Review and Retrospective	No.	Fix all small UI changes such as the rating stars, the list management page div alignment
